

Home Economics

Give me Five!

Developing knife skills and an enhanced knowledge of the Healthy Eating Plate. Cooking dishes that develop the healthy eating ethos within LPS.

Mathematics

- Numbers and Place Value
- Addition and Subtraction
- Multiplication and Division
- Shapes, Data and Measurement
- Fractions and Decimals
- Mixed Operations

Art & Design

Take a Seat Project!

Children explore the design of chairs. They discuss what chairs tell us about everyday life and the way people rest, eat and relate to each other. They look at examples of designs and then design a chair for a particular occasion.

Computer Studies

Communication and e-Safety

Using search technologies to find information and to be discerning in evaluating digital content. Pupils will consider spam messages, biased information and fake websites.

English

Pupils will read a variety of stories exploring settings and characters, developing skills in:

- Independent story planning and writing.
- Making inferences and justifying predictions from stories.
- Organising writing into paragraphs. Evaluate own and others' writing.
- A range of Speaking and Listening activities, including speeches, reading aloud, articulating and justifying opinions.
- Grammar Focus: Perfect Tense, Pronouns, developing a wider repertoire of Conjunctions.
