From The Headmaster

We are pleased to be able to show you some artistic drawings of the senior school building. The building will be situated alongside the reading garden and overlook the swimming pool.

The new building will occupy "state of the art" science and language laboratories and e - library / project room as the main features. All students will have their own personal lockers.

The new senior school will help develop the LPSS vision. The school is going through a transformation phase which will help to develop your child academically and for the world of work, through critical thinking and problem solving.

There are many things to look forward to and these are exciting times for the LPSS family.

LPSS Fun Day 2019

Year 2 Excursion

Year 2 students went to Oniru Private beach to explore features of the sea side as part of their Geography lesson.

Assemblies

This week, students in primary received awards for the effort put into their work this term whilst the musicians in our secondary school received music certificates. If you missed the Year 4 music assembly and art exhibition this mornings, here are some pictures. Parent volunteers also received certificates for their support during the Fun Day. Staff volunteers will receive theirs on Monday.

AISEN Swim Competition

Come support Team LPSS at The Grange School tomorrow 23rd November at 9 am.

Charity Day

This student council have selected 10th December as a charity day. Students can choose to wear mufti to school but must donate some money to charity if they come in home clothes. Minimum donation is N500 and proceeds will go towards a charity chosen by the council.
