## From The Headmaster

I would like to make the following announcement on behalf of the school.

As you are aware the school is preparing to build a new secondary school building and this is indeed an exciting project for the whole of the LPSS community.

Therefore the school will have defined Junior and Senior school sections, each with a section head reporting to the Headteacher.

The Head of Senior School will be an old friend of the school Mrs. Margaret Saba. Mrs. Saba joins us from the U.K. and has already taken up her post from December 2<sup>nd</sup>.

Mrs. Carol Disu has been appointed Head of Juniors. She will officially begin her work from January 1<sup>st</sup> 2020.

Congratulations to them both.

***Good bye.....best of luck.....***

At the end of this year we will be saying goodbye to Mr. Koomson and Mr. Okosodo.

**Mr. Koomson** has been one of our longest serving members of staff. He has worked with the school from the very beginning and his contribution has helped move the school through every phase. We cannot thank him enough for his contribution. Mr. Koomson taught Science for many years before taking up his present position as Head of Pastoral. He has worked for the benefit of all our students and they will truly miss him. We wish him the best of luck with his well deserved retirement.

**Mr. Okosodo** was appointed as Deputy Head teacher two years ago and was instrumental during the introduction of I.G.C.S.E. His experience has been invaluable and he will leave the school well placed with what lies ahead. He will remain a friend of the school and we wish him the best of luck for the future.
